## Growing Together Across Borders! 🌍

The Contribute project is blossoming beautifully, thanks to the collaborative efforts of our incredible partners from Spain, Greece, Brussels, Austria, and Turkey. We recently hosted a lively online co-working session that brought together the enthusiasm and creativity of our international team. The goal? To cultivate a greener future by educating young minds about the wonders of urban gardening. It was a virtual garden party full of fresh ideas and shared passion for sustainability. Stay tuned as we continue to nurture this exciting journey towards greener cities and brighter futures! 🌱 ✨

## **Cultivating Knowledge: Our First Local Webinar!**

Exciting news from the Contribute project! Our partner recently hosted a successful local webinar on urban gardening with expert George Halkos, attracting 30 participants. George's insights sparked new ideas and conversations about urban green spaces. Stay tuned as our partners from Spain, Greece, Brussels, Austria, and Turkey prepare to host their own webinars soon!
